## Tess eGallery

Hi I'm Tess, this is now my ninth Tess eMail and I hope you enjoyed the others. If you did not receive the other ones please let me know, I can always find them somewhere in my toy box....that's if I have not already eaten them !!

## Tess eNews

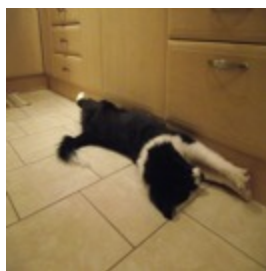

Most of the new teeth are in now and it's good to test them out. I think I have grown a lot, because I had to have a new collar and the humans can hardly lift me any more.

I went to puppy training class again, some really big dogs turned up the other day, one was a husky, didn't understand a bark he said!!

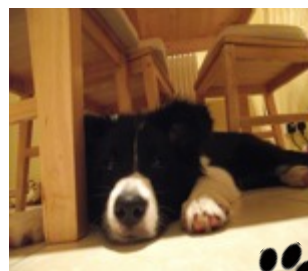

Errrrr....is this right, 2 baths already this year. Got my own back this time, shook myself very hard and splashed the lot of them. Note the flattering pic below, where is my lawyer ...right now.

- Look, all I did was dig the garden a bit, you'd think I'd started a tunnel...tsk !

- Hey chill out man, the grass is always greener.....

Thank you for reading, and please look out for my next TESSeMail soon.

Woof, Tess x
